5. EXCHANGE SERVICES

5.5 PUBLIC COMMUNICATION SERVICE - COIN AND COINLESS

5.5.7 PUBLIC ACCESS LINE (PAL) SERVICE

B. Terms and Conditions (Cont'd)

7. Joint User Service is not available with PAL Service. (T)
8. Calls to directory assistance, 911, and telephone repair service are not subject to measured or message PAL usage charges. (T)
9. In the event it becomes apparent that a customer-owned coin/coinless telephone (as defined herein) is attached to a line not authorized for use with such a set, the Company reserves the right to disconnect that customer's service. However, should the customer so request, the Company will install a Public Access Line at the rates and charges specified herein. (T)
10. PAL Service will be disconnected when used with equipment other than coin/coinless telephones as defined herein. (T)
11. Terms, conditions, rates, and charges as described elsewhere in this Tariff apply as appropriate. (T)
12. Changing to or from Guestline or Full Resale PAL Service may require a telephone number change. (T)
13. Optional toll calling plans, specified in 6.3, may be available to PAL Service customers. See individual tariff section for restrictions. (T)
14. Loop Diversity and/or Avoidance, as provided in the Private Line Transport Services Tariff and elsewhere, are available with PAL Service. (T)
 - a. Customers subscribing to Loop Diversity must also have additional facilities for the diverse route.
 - b. Customers subscribing to Avoidance may be required to pay Foreign Central Office charges, as defined elsewhere.

5.5 PUBLIC COMMUNICATION SERVICE - COIN AND COINLESS

5.5.7 PUBLIC ACCESS LINE (PAL) SERVICE (Cont'd)

C. Responsibility of the Customer

1. The PAL customer shall be responsible for the installation, operation, and maintenance of any customer-owned coin/coinless telephone used in connection with this service.
2. The PAL customer shall be responsible for the payment of Premises Work Charges for visits made by a Company employee to the customer's premises when a service difficulty or trouble report results from the use of customer-owned coin/coinless telephones.
3. The PAL customer is responsible for all rates and charges incurred on the Public Access Line. Toll adjustments will not be allowed on the PAL account.
4. The PAL customer will be responsible for refund of coins lost or collected in error by the customer-owned coin telephone. The PAL customer will also be responsible for payment of all costs incurred by the Company in regards to the refund of coins.

D. Rates and Charges

1. Directory Assistance charges will not apply to direct dialed calls from PAL lines.
2. Applicable incremental charges, as specified in 5.1.6, apply to PAL service.

5.5.7 PUBLIC ACCESS LINE (PAL) SERVICE

A. Description

1. The following services are offered as regulated services to business customers who subscribe to five or fewer lines pursuant to Title 61, Idaho Code. (T)
2. Public Access Line (PAL) Service is provided for use with customer owned coin/coinless telephones, subject to the availability of existing CO facilities and special operator equipped locations, as appropriate.
3. The use of "coinless" telephone in this Tariff refers to telephones without a coin-collecting device. This type of telephone is used to provide an optional billing arrangement on originating calls for either third number billed, calling card and/or collect calls.
4. Fraud Protection as provided in this service offering will:
 - Prevent Company operators from billing collect and third number billed calls to the PAL service;
 - Restrict Company operator assisted toll calls to third number billed, calling card and/or collect. (T)

d. Coinless Collect only PAL Service

Coinless Collect only PAL Service is a 1-way out only service commonly used in institutions such as penal or mental care facilities. When provided in penal and mental institutions, the service may be concentrated through a PBX. This service provides:

- Access to the toll and local network only by dialing "O" plus the desired number;
- Restriction of Company operator assisted calls by station users to only collect calls;
- Prevention of Company operators from billing collect and bill to third number calls to the PAL service.

This service prohibits calls to:

- Directory assistance;
- 911 emergency code;
- Interexchange carriers other than the carrier presubscribed to the line;
- 800/800-type service, 900, 976, 950, 960 telephone numbers;
- Company repair service.

(C)

e. Coinless Subscriber Service

This 1-way or 2-way service provides:

- Free calls to 911 emergency agency code;
- Access to directory assistance;
- Prevention of Company operators from billing collect and third number billed calls to the PAL service;
- When provided out of a digital or ESS office, access to the toll and local network only by dialing "0" plus the desired number or dialing "0". The CO arrangement will prohibit direct dialed local or inter/intraLATA toll calls. Station users will be restricted to placing Calling Card, bill to third number and collect calls only.

5.5 PUBLIC COMMUNICATION SERVICE - COIN AND COINLESS

5.5.7 PUBLIC ACCESS LINE (PAL) SERVICE (Cont'd)

B. Terms And Conditions

(T)

1. For customer-owned coin/coinless telephones with unrestricted access to the local network, PAL Service will be provided on a measured rate basis only, except in those areas where measured rate facilities are not available. In such areas, message PAL service will be offered. With the implementation of measured service, within a CO, message PAL service will be automatically converted to measured PAL service.
2. Public Access Line (PAL) Service is available on a Foreign Central Office (FCO) and Foreign Exchange (FX) basis at the rates and charges specified in the Access Service Catalog.
3. Two-way PAL Service rates and charges include one business directory listing. Additional listings will be furnished at rates and charges specified in 5.7.
4. The minimum service period is one month.
5. Public Access Line Service is not represented as adapted for data service. PAL Service contemplates the provision of satisfactory voice transmission only.
6. Joint User Service is not available with Public Access Line Service.
7. Calls to directory assistance, 911, and telephone repair service are not subject to measured or message PAL usage charges.
8. In the event it becomes apparent that a customer-owned coin/coinless telephone (as defined herein) is attached to a line not authorized for such use, the Company reserves the right to disconnect that customer's service. However, should the customer so request, the Company will install a Public Access Line at the rates and charges specified herein.
9. Regulations/terms and conditions, and rates and charges as described elsewhere in this Tariff apply as appropriate.
10. Changing to or from PAL Service with Fraud Protection, Full Resale, or Full Resale with Fraud Protection PAL service may require a telephone number change.

C. Responsibility Of The Customer

1. The PAL customer shall be responsible for the installation, operation, and maintenance of any customer-owned coin/coinless telephone used in connection with this service. The customer owned coin/coinless telephone must comply under Part 68 of the FCC Rules and Regulations.
2. The PAL customer is responsible for all rates and charges incurred on the Public Access Line. Toll adjustments will not be allowed on the PAL account.
3. The PAL customer will be responsible for any refund of coins lost or collected in error by the customer-owned coin telephone. The PAL customer will also be responsible for payment of all costs incurred by the Company in regard to refunds.
4. The Idaho Public Utilities Commission has established specific conditions for the connection of coin/coinless telephones to PAL lines. These conditions are set forth in Appendix A to Commission Order No. 19766 and subsequent rulings. Compliance with these terms and conditions is the responsibility of the PAL customer. A determination by the Idaho Public Utilities Commission that a customer owned coin/coinless phone does not comply with these conditions may result in the termination of the PAL service.
5. Optional toll calling plans, specified elsewhere, may be available to PAL service customers.

5.5 PUBLIC COMMUNICATION SERVICE - COIN AND COINLESS

5.5.7 PUBLIC ACCESS LINE (PAL) SERVICE

D. Rates And Charges (Cont'd)

5. Measured PAL Usage Charges

- a. Measured PAL usage charges accumulate on a monthly basis commencing on the billing date.
- b. Measured PAL usage charges as specified in 5.5.7.D.3. are applicable to completed local messages.
- c. Initial period rates given in the peak period rate table are for a connection of one minute or any fraction thereof.
- d. Additional period rates given in the peak period rate table are for each additional minute or any fraction thereof that the connection continues beyond the initial period.
- e. The initial period rate is the rate in effect at the time the connection is established. The rate for each additional period is the rate in effect at the beginning of each additional period.

6. Timing of Measured Local Messages

- a. Chargeable time begins when connection is established between the calling station and the called station.
- b. Chargeable time ends when the calling station hangs up, thereby releasing the network connection. If the called station hangs up, but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the telephone network.

7. Determining Usage Charges:

- a. Refer to the peak period rate table.
- b. If the call is during the discount period as defined in the rate discount and application period table, apply the percent discount.

D. Rates And Charges (Cont'd)

8. Discount

- a. The discount for the reduced rate period given in the rate discount and application period table is expressed as a percent reduction of the sum of the initial and additional period charges calculated at the rates published in the peak period rate table and is applied to message connection established during the period indicated in the rate discount and application period table.
 - b. The initial period discount is the discount in effect at the time the connection is established. The discount for each additional period is the discount in effect at the beginning of each additional period.
 - c. On Christmas Day (December 25) and on New Year's Day (January 1), Independence Day (July 4), Thanksgiving Day and Labor Day the holiday rate applicable is the Evening rate, unless a lower rate would normally apply.
9. Local Measured and Local Message Usage Service messages handled by the operator will be assessed the same operator surcharges as are applicable to intrastate operator handled long distance messages in addition to the appropriate measured and message service usage charges.
 10. The monthly rates for the Measured PAL service do not contemplate the provision of monthly billing detail. When billing detail is furnished, it must be arranged for in advance. The following charge per call will be assessed. In addition, the following service and equipment one time charge will also apply.

	CHARGE	(T)
• Detail billing, per call	\$0.01	(T)

5.5 PUBLIC COMMUNICATION SERVICE - COIN AND COINLESS

5.5.7 PUBLIC ACCESS LINE (PAL) SERVICE (Cont'd)

C. Responsibility Of The Customer

1. The PAL customer shall be responsible for the installation, operation, and maintenance of any customer-owned coin/coinless telephone used in connection with this service. The customer owned coin/coinless telephone must comply under Part 68 of the FCC Rules and Regulations.
2. The PAL customer is responsible for all rates and charges incurred on the Public Access Line. Toll adjustments will not be allowed on the PAL account.
3. The PAL customer will be responsible for any refund of coins lost or collected in error by the customer-owned coin telephone. The PAL customer will also be responsible for payment of all costs incurred by the Company in regard to refunds.
4. The Idaho Public Utilities Commission has established specific conditions for the connection of coin/coinless telephones to PAL lines. These conditions are set forth in Appendix A to Commission Order No. 19766 and subsequent rulings. Compliance with these terms and conditions is the responsibility of the PAL customer. A determination by the Idaho Public Utilities Commission that a customer owned coin/coinless phone does not comply with these conditions may result in the termination of the PAL service.
5. Optional toll calling plans, specified in Section 6.3 may be available to PAL Service customers. See individual catalog section for restrictions.
